

Dear co-operation partner,

Endat Oy will be merged into Clyde Bergemann Scandinavia Oy from 1<sup>st</sup> June 2017. Endat Oy has been part of Clyde Bergemann Power Group since 2007. The reason for the merge is to simplify the structure of Clyde Bergemann Power Group companies located in Finland. The Endat activity will continue as previously within the Clyde Bergemann Scandinavia Oy company.

Your Prosim license / other contract agreement will be transferred from Endat Oy to Clyde Bergemann Scandinavia Oy from the same date.

The contact information to Clyde Bergemann Scandinavia Oy is:
